

YOUR SUPPORT WILL IMPACT GENERATIONS!

My name is Deyrel Diaz. I was the recipient of the 2015 FGCU Dr. Israel Suarez Scholarship. I am currently pursuing a B.S. degree in Software Engineering at FGCU. The family and comradery I acquired while in the Nations Scholars Program is something you only find once in a lifetime. Through networking luncheons, college exposure, and working within our own community, I learned valuable lessons through Nations that I am still applying in my life today. I couldn't have done it without God, my family and mentors. I now know that it's crucial that underprivileged kids have a support system and mentorship. They need to be taught and shown how to go about achieving everything they want in life. Even though I was surrounded by many loving hearts and support, nothing like this could have been possible without the funding and selfless donations from Nations' wonderful sponsors. Thank you all for supporting your community. You better believe I will pay it forward when my time comes!

Update: Deyrel graduated from FGCU with a Bachelor of Science degree in Engineering on May 4, 2019.

My name is Maritri Soto Garcia. I am a rising 2nd year law student at the University of Florida, Levin College of Law. My parents came from a small pueblo in Hidalgo and arrived in the U.S. during the late 1980s to pursue the "American Dream". Over the years my family saved enough money to move to Florida to further the education of myself and my two siblings. We settled in a home in Cape Coral. I stayed in Lee County to attend FGCU where I received my BS in Accounting. I am the first person in my family to hold a college degree and, as such, pride myself on being a role model to family and friends. Community service has been an integral part of my life. I was a scholarship student at Nations. Each year, a group of high school students, most of whom are first generation college applicants such as myself, are mentored and assisted in their pursuit of higher education. The mentorship I received from Nations positively impacted my life, and I have come a long way from where my family first began. My education has been an essential part of my success and I look forward to conquering even more challenges.

Update: Trini graduated from Law School on May 18, 2018.

These wonderful success stories could not have been written without sponsors.

Your support will have a positive impact on our community today and for generations beyond. The number of people we can help and the amount of assistance they can receive is totally dependent on our sponsor support.

Your Dollars Make A Difference!
